### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dennis M. Flaherty on 12/23/04.

The application has been amended as follows:

In the claims:

Claims 7, 9, 10, 21, 27, and 31 have been canceled.

Claim 28, in the last line of the claim, --; and wherein the connection of said first portion of said membrane to said first profiled zipper strip is located on said first projection and the connection of said second portion said membrane to said second profiled zipper strip is located on said second base-- has been inserted after "interstice".

Claim 32, line 1, "31" has been replaced with --28--.

Claim 33, line 1, "31" has been replaced with --28--.

The following is an examiner's statement of reasons for allowance: the combination of Machacek and Ausnit '414 does not teach the membrane is on the first projecting member. Ausnit '414 teaches that the membrane is secured to the zipper flange. To provide the membrane on the first projecting member would have required hindsight.

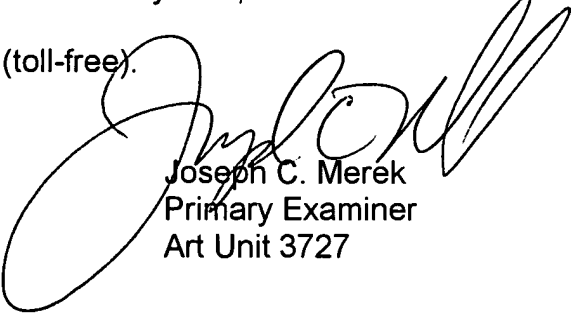

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Joseph C. Merek whose telephone number is 571 272-4542. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lee Young can be reached on (571) 272-4549. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
